For more than a century, the Culinary Art of Churrasco, or cooking over an open flame, has been skillfully mastered by the Gaucho Chefs of Brazil. Our Gauchos carefully butcher, simply season and fire-roast each cut to seal in the natural flavors, producing a salty bark and creating a unique and unforgettable culinary experience. The FULL CHURRASCO made Fogo famous. Enjoy continuous tableside carving of premium Brazilian cuts like signature Picanha (prime part of top sirloin), Fraldinha (bottom sirloin), and Roasted Chicken, Bone-in Ribeye, Filet, Lamb Chops, and more.
